

# Find a call

Horizon 2020 offers a large variety of funding opportunities for [research and innovation activities](#) through calls for proposals that are set out in the Horizon 2020 work programme. On the Participant Portal you can find call information under [Funding opportunities](#).

## Already familiar with EU research funding?

You can go directly to the [H2020 calls](#) and filter open calls that interest you in the relevant programme sub-division.

## New to EU research funding?

Go to [Search topics](#) to find topics that belong to open or upcoming calls. You can search in the text of the call and topic titles, call and topic identifiers, topic description and keywords and tags related to this topic. For more extensive search in various fields of the call and topic pages, you find on the same page a link to the Europa search that functions and presents the results in a similar way as Google search.

You can also search for previous (closed) calls, as a guide.

In Horizon 2020 there are more [opportunities for cooperation](#) with and participation by researchers from non-EU countries.

## WHERE TO FIND CALLS INFORMATION?

Call Information sources and their content:

	H2020 biannual work programmes	Contain content and timing of calls Call conditions (even before publication on this site)
	EU Official Journal	Publishes notifications of calls for proposals
	Participant Portal " <a href="#">Funding Opportunities</a> "	<ul style="list-style-type: none"><li>• Publication of calls</li><li>• Related key documents &amp; guidance</li><li>• News about upcoming calls</li><li>• Page for each call where you can subscribe to related news and call updates</li></ul>
	Participant Portal "My Notifications"	Subscribe to e-mail notifications about new calls in your field of interest

**Call page:** The **key documents** and information that you need to prepare your proposal are provided on the relevant call page.

**Topics:** Calls are further sub-divided into **Topics** – your proposal must be relevant for one of these. The scope and expected impact of each topic and thus related proposals is described on the topic page.

**Topic page:** Each topic page specifies the **submission deadline** and contains a link to the **electronic submission system**, which is how you submit your proposal.
